Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the WSDOT US 2 Colbert Road Intersection project in surface transportation reauthorization legislation.

The project sponsor for this project is the Washington State Department of Transportation and the project is located at 2714 N. Mayfair Spokane, WA 99207

The funding is designated for enhancements to the intersection that will restrict crossing movements at US 2/Colbert Road intersection, reduce conflict points, provide mainline left turns, provide U-turn locations, add a mandatory use acceleration lane on southbound US 2, and provide decision-sight distance for westbound Colbert Rd at the stop sign.

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the area by improving safety and reduce fatal and serious injury crashes by modifying the US 2/Colbert Road Intersection through a low-cost enhancement.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Cathy McMorris Rodgers
Member of Congress
